"We honor the Terk rite for its hoary age, its pure symbols and alignories, and its unblemished record, and we take our members only from its body. Both the York and Scottish rites make one consistent and harmonious whole, and it is all Freemasonry. There is no flaw nor defect in the history of either, and if it be charged that they have not done as much for the human race as other institutions have done, we answer there are no bloodstains on their garments. They never brought a tear to the eye of any human being; never slandered any man or woman; never slandered any man or woman; never slandered as much for the history of relations bellef; never fought a battle nor drew a sword against an enemy; never attempted to force anyone to believe in their principles; never bred haired or illwill among men; never taught any one to profane his Maker's name; never folined a political party nor attempted to control a ballet bex. Free-masonry never committed a crime."

SHRINERS "RESOLVE" TO DO BIG STUNTS

Are Whetting Their Snickersnees for the Neophytes That Will Appear For Initiation Saturday.

There are 33 "skiddoo" resolutions in the program of El Maida Shrine's ceremonial session, which "pote" Altred A Sharpe and keeper of the purple ink, William H. McCullough have malled to members and novices. Eased on such a change of life the "rope testers." "Arabic dispensers of herbs," "keeper of the sacred cow," "purveyors and guardians of the royal poultry and stables" and other desert shelks that gather periodically in the oasis of El Paso are preparing they say, the warmest welcome for next Saturday's bunch of neophytes that ever happened in the great American desert. The ceremonial has been arranged by permission of the imperial potentate, especially for the benefit of the 32d degree Masons who will conclude their degrees Friday.

As a reason for omitting the usual feast of dates and camel's milk following the ceremonies the shrine officers allege that so many stunts have been planned that those of the novices who survive will be in no condition to edicy a banquet.

El Maida's ball for the benefit of the patrol team which will represent El Paso in Atlanta next May, will be held February 11 at Hotel Paso del Norte. All Masons, whether Shriners or not, have been invited. Hope M. Smith is the committeeman who is looking after the tickets.
